GENERAL INFORMATION

The Illinois State Board of Education is showing their support for the positive impact that National Board Certified Teachers (NBCTs) make through improving teaching and student learning for Illinois' most under-resourced students in rural or remote areas.

The application is to be completed only if you are an eligible Illinois National Board Certified Teacher. A one-time \$3,000.00 USD incentive shall be paid to each qualified educator who:

- is currently employed as a full-time teacher or counselor in an Illinois public school AND
- holds a National Board for Professional Teaching Standards designation on their Illinois Professional Educator License AND
- is a current National Board Certified Teacher (NBCT) AND
- is employed in a school district classified as Tier 1 or Tier 2 **AND**
- is employed in a Rural or Remote district OR at a Rural and Remote school if *not* employed at a Rural or Remote district (with Local Code 33, 41, 42, or 43)

You can review the complete lists of eligible Illinois schools (alphabetically by school, and alphabetically by district) for the 2021-2022 incentive cycle below. There are 729 schools in 324 districts in Illinois that employ educators who might by other factors above be determined to be eligible for the one-time incentive. If you work at an Illinois school that does *not* appear on the lists but you believe that you meet eligibility requirements, please contact the National Board Resource Center to provide information about your school and district at NBRC@IllinoisState.edu.
