GENERAL INFORMATION

The Illinois State Board of Education (ISBE) is showing their support for the positive impact that National Board Certified Teachers (NBCTs) make through improving teaching and student learning for Illinois' most under-resourced students in rural or remote areas.

The [application](#) is to be completed only if you are an eligible Illinois National Board Certified Teacher. A one-time \$3,000.00 USD incentive shall be paid to each qualified educator who meets all of the criteria below:

- Is currently employed as a full-time teacher or counselor in an Illinois public school **AND**
- holds a National Board for Professional Teaching Standards designation on their Illinois Professional Educator License **AND**
- is a current National Board Certified Teacher (NBCT) **AND**
- is employed in a school district classified as Tier 1 or Tier 2 **AND**
- is employed in a Rural or Remote district OR at a Rural and Remote school if *not* employed at a Rural or Remote district (with Local Code 33, 41, 42, or 43)

You can review the complete list of eligible Illinois schools on the next page for the 2022-2023 incentive cycle below. There are 724 schools in 319 districts in Illinois that employ educators who might by other factors above be determined to be eligible for the one-time incentive. If you work at an Illinois school that does ***not*** appear on the lists but you believe that you meet eligibility requirements, please contact the National Board Resource Center at NBRC@IllinoisState.edu to provide information about your school and your district.
