Research-Based Ongoing Professional Development Opportunity

Creating A Professional Learning Community
WHAT IS INCLUDED IN THIS PROFESSIONAL DEVELOPMENT OPPORTUNITY?

• Focus on completing two National Board components:
  
  o **National Board Component 2: Differentiation in Instruction**
    This classroom-based portfolio entry is primarily comprised of samples of student work and an accompanying written commentary. Candidates will submit selected work samples that demonstrate the students’ growth over time and a written commentary that analyzes the candidate’s instructional choices.
  
  o **National Board Component 4: Effective and Reflective Practitioner**
    This portfolio entry requires candidates to gather information from a variety of sources about a class of students with whom they work and demonstrate their knowledge of assessments and assessment practices to effectively plan for and positively impact student learning. The portfolio will also require candidates to provide evidence of collaboration with families, the community, and colleagues and the candidate’s contributions to learning communities to advance student growth.

• Focus is on a school need or agreed-upon School Improvement Goal.

• Only educators from the National Board Professional Development District/School are allowed in the cohort that meets at your school or district.

• Twelve, two hour professional development cohort sessions held over nine months that are organized and facilitated by a National Board Certified facilitator (NB facilitator trained, contracted, and paid by National Board Resource Center).

• Ongoing support to cohort facilitator and professional development school from the National Board Resource Center (NBRC) at Illinois State University.

• Goal setting and End-of-Year review meeting with the Triad of the cohort (administrator, NB facilitator, and teacher or counselor candidate).

• $1,900 candidate fee subsidy for National Board Certification process paid directly by ISBE to the National Board for each qualified teacher participant.

• Professional Development hours provided for twelve, two hour sessions.

• Opportunities to articulate teaching practices aligned with the Danielson Framework for Teaching.

HOW DOES A SCHOOL QUALIFY FOR THIS PROFESSIONAL DEVELOPMENT OPPORTUNITY?
